TEMPLE CHRISTIAN ACADEMY

2023-2024 School and Art Supply List

Note Regarding Art Supplies:

The 1st-12th grade art supply list contains items that your child will use for art class. Most items will stay in the art room and be shared by all TCA students coming to the art room. This reduces the number of items each student needs to purchase. (Exception:

Prismacolor Colored Pencils are not a shared supply. Any Prismacolor Pencils or "Sketch and Draw Pencil Sets" purchased by 6th-12th grade students belong to the individual student and will not be shared with other students). If your child was a student at TCA last year, he/she may use the same poster board portfolio to transport artwork this year. Please return the portfolio to school if it was not left at school last year. Please make sure to put your child's name and grade on the poster board. Please do not purchase poster boards with glitter as they do not tape well. If you have any small plastic containers from individual size yogurt, please send them to school; we use them for water when painting.
